

Master of Science Program in Natural Rubber Production, Technology and Management

(International Program)

Program Description

The Master in Natural Rubber Production, technology and Management is set up to develop and modernize the natural rubber production sector in a sustainable and social-responsible ways by providing advanced level technical human resources in response to a demand from the rubber supply chain in Thailand and SE Asia. And the course will give you multi-disciplinary scientific and technical knowledge enabling you to contribute in the fast-changing industry and markets worldwide.

Duration of Study: 2 years

Plan of Study					
Plan A type A1 (Total = 36 credits)					
Year One					
First Semester			Second Semester		
Code	Subject	Credit	Code	Subject	Credit
500-50X	Bridging courses (Audit)	10	500-598	Thesis	9
500-598	Thesis	9			
Year Two					
First Semester			Second Semester		
Code	Subject	Credit	Code	Subject	Credit
500-598	Thesis	9	500-598	Thesis	9
Plan A type A2 (Total = 36 credits)					
Year One					
First Semester			Second Semester		
Code	Subject	Credit	Code	Subject	Credit
500-50X	Bridging courses (Audit)	10	500-512	Value Addition in Rubber Industry	3
500-510	Advanced Physiology of Rubber Production	3	500-513	Rubber Agribusiness System and Sustainability	3
500-511	Rubber Smallholder Organization	1	xxx-xxx	Elective	3
xxx-xxx	Elective	3	500-592	Seminar 2	1
500-591	Seminar 1	1	500-597	Thesis	2

Plan A type A2 (Total = 36 credits)					
Year Two					
First Semester			Second Semester		
Code	Subject	Credit	Code	Subject	Credit
500-597	Thesis	8	500-597	Thesis	8

Plan B (Total = 36 credits)					
Year One					
First Semester			Second Semester		
Code	Subject	Credit	Code	Subject	Credit
500-50X	Bridging courses (Credit)	10	500-512	Value Addition in Rubber Industry	3
500-510	Advanced Physiology of Rubber Production	3	500-513	Rubber Agribusiness System and Sustainability	3
500-511	Rubber Smallholder Organization	1	500-591	Seminar 1	1

Year Two					
First Semester			Second Semester		
Code	Subject	Credit	Code	Subject	Credit
xxx-xxx	Elective	6	xxx-xxx	Elective	2
500-592	Seminar 2	1	500-596	Minor Thesis	6

Tuition for academic year 2014-2015 is ฿500,000 per course. (For Thai and Foreigner Student)
