

Guest lecturers

PISAI Project

No.	Name	Organization	Expertise	PISAI Activity	Date
1	Dr. Petra Chaloupková	Czech University of Life Science	Economics and management	Module 1	8-27 August 2018
2	Dr. Olga Leuner	Czech University of Life Science	Food science	Module 1	8-27 August 2018
3.	Dr. Miloslav Petrtyl	Czech University of Life Science	Biological resources	Module 1	8-15 August 2018
4.	Dr. Alain Brauman	Institute de recherché pour le Development (IRD) ECO&SOLS	Ecology, Microbiology, Molecular Biology, Soil Fertility	Module 2	19-23 November 2018
5.	Dr. Alexis Thouzazeau	Cirad - La recherche agronomique pour le développement	Ecology, Microbiology, Soil Fertility	Module 2	19-23 November 2018
6.	Dr. Didier Pillot	SupAgro, Montpellier	Farming System	Module 2	12-16 November 2018
7.	Dr. Benedicte Chambon	CIRAD- Thailand	Agriculture and Rural Development	Module 2	16-17 November 2018
8.	Assoc. Prof. Dr. Suchint Simaraks	Department of Agricultural Extension and Agricultural Systems, KKU	Sustainable Agriculture and Rural Development, Participatory Rural Development	Module 2	12 November 2018
9.	Prof. Dr. Anan Polthane	Department of Agricultural Extension and Agricultural Systems, KKU	Farming systems, cropping systems	Module 2	13 November 2018
10.	Assist. Prof. Dr. Satit Aditto	Department of Agricultural Economics, KKU	Agribusiness, Risk management	Module 2	12-17 November 2018
11.	Assist. Prof. Dr. Yaowarat Sriwaranun	Department of Agricultural Economics, KKU	Agricultural Economics, Agricultural Marketing	Module 2	12-17 November 2018
12.	Assist. Prof. Dr. Jirawat Sanitchon	Department of Agronomy, KKU	Plant breeding	Module 2	26-28 November 2018
13	Assoc. Prof. Dr. Penpan Srisakultiew	Department of Fisheries, KKU	Aquaculture	Module 2	29 November 2018
14	Dr. Nipon Poapongsakorn	Thailand Development Research	Agricultural Policies	Module 3	18 March 2019

		Institute, TDRI			
15	Mr. Papat Panyachartrak	Chairman of the Thailand National Farmers Council	Significant Roles in Agricultural	Module 3	18 March 2019
16	Dr. Didier Pillot	SupAgro, Montpellier	Landscape analysis, historical surveys	Module 3	18 March-5 April 2019
17	Assoc. Prof. Dr. Thilde Brich Bruun	Copenhagen University	Environmental versus social and economic constraint	Module 3	18-31 March 2019
18	Dr. Prayath Nantasin	Department of Earth Sciences, KU	Preliminary assessment for ground water resource	Module 3	19 March 2019
19	Dr. Panu Trivej	Department of Earth Sciences, KU	Climate constraints and soils diversity	Module 3	19 March 2019
20	Dr. Penporn Janekarnkij	Faculty of Economics, KU	Economic assessment	Module 3	22 March 2019
21	Assoc. Prof. Dr. Kannika Sajjaphan	Department of Soil Science, KU	Environmental Microbiology & Technology	Module 3	2 April 2019
22	Dr. Petra Chaloupková	Czech University of Life Science	Economics and management	Module 1	14-22 August 2019
23	Dr. Olga Leuner	Czech University of Life Science	Food science	Module 1	14-22 August 2019
24	Dr. Didier Pillot	SupAgro, Montpellier	Farming System	Module 2	21 October – 8 November 2019, 4-9 November 2019
25	Dr. Alain Brauman	Institute de recherché pour le Développement (IRD) ECO&SOLS	Ecology, Microbiology, Molecular Biology, Soil Fertility	Module 2	28 October – 1 November 2019
26	Dr. Nancy Rakotondrazafy	Institute de recherché pour le Développement (IRD) ECO&SOLS	Ecology, Microbiology, Molecular Biology, Soil Fertility	Module 2	28 October – 1 November 2019
27	Dr. Yumi Kobayashi	University of Helsinki	Farming System, synthesis on agroecological zonation	Module 2	21 October – 1 November 2019
28	Prof. Dr. Anan Polthanee	Department of Agricultural Extension and Agricultural Systems, KRU	Farming systems, cropping systems	Module 2	21 October 2019
29	Dr. Sukanlaya Choenkwan	Department of Agricultural Extension and	System Approaches in Agriculture	Module 2	21 October – 26 2019

		Development, KKU			
30	Asst. Prof. Dr. Theerachai Haitook	Department of Animal Science, KKU	Integrated farming and Animal Husbandry/Production	Module 2	21-26 October 2019
31	Asst. Prof. Dr. Prakaijan Nimkingrat	Department of Land and Resources and Environment	Entomology, Nematology, Bio control	Module 2	28 October 2019, 1 November 2019
32	Asst. Prof. Dr. Phruksa Lawongsa	Department of Land and Resources and Environment	Soil Microbiology, Soil Biotechnology, Soil Science	Module 2	28 October - 1 November 2019
33	Assist. Prof. Dr. Satit Aditto	Department of Agricultural Economics, KKU	Risk analysis in agriculture, Agribusiness management	Module 2	4 November 2019
34	Assist. Prof. Dr. Yaowarak Sriwaranun	Department of Agricultural Economics, KKU	Agricultural Economics, Consumer Behaviour	Module 2	4 November 2019
35	Assoc. Prof. Dr. Penpan Srisakultiew	Department of Fisheries, KKU	Aquaculture	Module 2	7 November 2019
36	Ms. Monrawee Peerawat	Department of Land and Resources and Environment	Land development department	Module 2	29 October 2019, 1 November 2019
37	Asst. Prof. Dr. Buncha Chinnasri	Department of Plant Pathology, KU	The triple sustainability	Module 3	24 February – 7 March 2020
38	Asst. Prof. Dr. Oranutda Chinnasri	Department of Sociology and Anthropology, KU	Environmental versus social and economic constraint	Module 3	24 February 2020
29	Dr. Didier Pillot	SupAgro, Montpellier	Landscape analysis, historical surveys	Module 3	1-7 March 2020
40	Assoc. Prof. Dr. Thilde Brich Bruun	Copenhagen University	Environmental versus social and economic constraint	Module 3	24 February – 1 March 2020
41	Dr. Pin Pravalprukskul	Copenhagen University	Environmental versus social and economic constraint	Module 3	24 February – 1 March 2020
42	Dr. Yumi Kobayashi	University of Helsinki	LCA cycle	Module 3	24 February – 7 March 2020
