Remarks

1. Thesis examiner shall be appointed from those with the qualification in accordance with the Graduate Program Standards, B.E. 2558 in item 10.3 and 10.4.
2. In the program under the Graduate Program Standards, B.E. 2558, if the thesis examination committee has consisted of “faculty staff in the program” and external examiner not less than the number specified in the Standard, “full-time instructors” may be additionally appointed as members of thesis examinations committee. However, full-time instructors must have a doctorate degree or having at least a master's degree and with associate professorship and having at least 3 related academic works in the past 5 years with at least one of which being research. (The counting time of academic works of full-time instructor/faculty staff in the program starts from being appointed as a thesis examiner in the past 5 years.)
3. Academic works of full-time instructor/faculty staff in the program could be counted in published works in journal/proceedings /textbook in the 5 past years (Please update the resume and academic work in GSMIS).
For external examiner, academic works could be counted published works in journal only without timeframe (lifelong). Please attach the resume and academic work of external examiner to the Graduate School.
4. Please send a copy to inform the Graduate School once the faculty approves the appointment of the Thesis Examination Committee. To inform in advance before the thesis examination date as the Graduate School required. If it is found that the qualification of thesis examination committee is not accordance with the criteria, the Graduate School shall remind to revise the committee.
